

## **MDxHealth Announces Changes to its Board of Directors**

**Rudi Pauwels, PhD, Biocartis Chairman and CEO, Elected as new Independent Director**

**IRVINE, CA, and LIEGE, BELGIUM** – 8:00 AM, June 18, 2013 – MDxHealth SA (NYSE Euronext: MDXH), a leading molecular diagnostic company that develops and commercializes epigenetic tests to support cancer treatment, today announced changes to the composition of its Board of Directors, including the election of Rudi Pauwels, PhD, as an independent director.

The company also announced that the three-year director mandates of each of Dr. Karin Dorrepaal and Mr. Raphael Wisniewski, as permanent representative of Edmond de Rothschild Investment Partners, have ended as of May 31, 2013. The board now consists of six members, whose mandates were approved by the company's shareholders in connection with the Annual General Meeting of Shareholders held on May 31, 2013. For additional information please refer to the company's web site at [www.mdxhealth.com](http://www.mdxhealth.com).

Dr. Pauwels is a serial entrepreneur who co-founded several European biotech companies, including Tibotec Virco, Galapagos Genomics, Biocartis and MDxHealth. Dr. Pauwels currently serves as chairman and CEO of Biocartis. Starting his career at the Rega Institute for Medical Research in Leuven, Dr. Pauwels pioneered the development of novel anti-HIV treatments and diagnostic tools that enable more personalized HIV therapy.

"Rudi is a great addition to our Board. His knowledge and expertise of diagnostic technologies and product development is a significant asset. The management team looks forward to utilizing his broad and seasoned perspective to help us advance MDxHealth's growth plans," noted Dr. Jan Groen, CEO of MDxHealth.

Commenting on the changes to the MDxHealth board, Mr. Edward L. Erickson, Chairman of the Board, said "I welcome Dr. Pauwels to the board and the directors look forward to working with him to advance our strategy and continue to build the company. On behalf of the board I also offer our thanks and deep appreciation for the many years of valuable service by Dr. Dorrepaal and Mr. Wisniewski."

### **About MDxHealth®**

MDxHealth is a molecular diagnostics company that develops and commercializes advanced epigenetic tests for cancer assessment and the personalized treatment of patients. The company's first commercial product, ConfirmMDx™ for Prostate Cancer, has been shown to help distinguish patients who have a true-negative biopsy from those who may have

undetected cancer. MDxHealth helps to address a large and growing unmet medical need for better cancer diagnosis and treatment information. The company has a proprietary platform and a strong epigenetic product pipeline focused on the development of products for prostate, brain and lung cancers. The company is based in Irvine, California with a European headquarters in Liege, Belgium. For more information visit MDxHealth's website at [www.mdxhealth.com](http://www.mdxhealth.com).
