### **MDxHealth to Present at the Canaccord Genuity Medical Technology & Diagnostics Forum**

**Irvine, California, and LIEGE, BELGIUM** – November 7, 2013 – MDxHealth SA (NYSE Euronext: MDXH), a leading molecular diagnostics company in the field of personalized cancer treatment, today announced that CEO, Dr. Jan Groen, will present at the Canaccord Genuity Medical Technology & Diagnostics Forum in New York on November 14 at 3:30 pm. The presentation will be posted under the investor tab of the MDxHealth website (<http://mdxhealth.com/investors/shareholder-information>).

#### **About MDxHealth®**

MDxHealth is a molecular diagnostics company that develops and commercializes advanced epigenetic tests for cancer assessment and the personalized treatment of patients. The company's first commercial product, ConfirmMDx™ for Prostate Cancer, has been shown to help distinguish patients who have a true-negative biopsy from those who may have undetected cancer. MDxHealth helps to address a large and growing unmet medical need for better cancer diagnosis and treatment information. The company has a proprietary platform and a strong epigenetic product pipeline focused on the development of products for prostate, brain and lung cancers. The company is based in Irvine, California with a European headquarters in Herstal, Belgium. For more information visit MDxHealth's website at [www.mdxhealth.com](http://www.mdxhealth.com).
